Creative/artistic expert
freelance

Nice to meet you,
we're Folks.

At Folks, we're all about turning big ideas into unforgettable moments. We're looking for a bold, out-of-the-box thinker to join our squad as a Creative Expert. You'll craft imaginative strategies that help our clients shine, working closely with them to dream up and deliver creative solutions that push boundaries.

From brainstorming to execution, you'll lead projects end-to-end, collaborate with project managers and production teams, and make sure every concept stays true to the vision. If you've got a knack for making the impossible possible, we'd love to meet you!

About the **job**

- Craft creative strategies that wow clients.
- Dive deep into client goals to uncover challenges and opportunities.
- Participate to brainstorm sessions and collaborate across teams to bring big ideas to life.
- Present your concepts to clients and stakeholders like a pro.
- Stay on top of trends and bring fresh, innovative ideas to the table.
- Keep projects on track and on schedule
- Be the creative spark that pushes every project forward.

Must-haves (because we're picky)

- A killer portfolio of successful creative projects.
- Proven experience in a similar role.
- Creative thinking meets strategic planning.
- Ability to juggle multiple projects without breaking a sweat.
- A team player with an eye for detail and passion for quality.
- The hustle and heart to thrive in a fast-paced, agency life.

All about what **we offer**

- The opportunity to develop yourself in a diverse and challenging job
- The possibility to be part of a strong and competent team of motivated professionals
- Great offices in Brussels and in Liège
- Colleagues who are friends, friends who are colleagues
